

RaceFuels

CHAMPIONSHIP FUEL SUPPLY

Fuels supplied via bowzers at the Phillip Island Six Hour Relay...

This fuel is BP Ultimate. RaceFuels uses different collection and storage techniques vs normal service stations. Phillip Island has high demand for 98 RON fuel with constant corporate drive events and race meetings, the benefit to you is that this is fresh fuel ready to be raced with. RaceFuels' 98 RON is always stored in above ground tanks. We actively test and check our fuel for quality.

RaceFuels supplies this same fuel to Porsche Carrera Cup.
